### TECHNICAL SPECIFICATIONS

**ECM-285**

|                                  |   |
|----------------------------------|---|
| Description                      | electret microphone                                     |
| Transmission method              | cable   |
| Polar pattern                    | cardioid  |
| System                           | electret  |
| Audio frequency range            | 80-15,000 Hz  |
| Nominal impedance                | 400 $\Omega$  |
| Sensitivity                      | 5 mV/Pa   |
| Max. sound pressure              | 115 dB  |
| Power supply                     | 1 x 1.5 V batt. AA size or<br>DC 9-48 V (phantom power) |
| Admiss. ambient temp.            | 0-40 °C   |
| Dimensions                       | Ø 26 mm x 195 mm  |
| Weight                           | 110 g   |
| Cable                            | 6 m   |
| Connection                       | XLR, bal.   |
| Packaging dimensions (W x H x L) | 0.125 x 0.065 x 0.24 m                                  |
| Gross weight                     | 0.732 kg  |
| Net weight                       | 0.456 kg  |
